Movement doc. nr.	Message no.	Importer-consignee	Waste generator-producer	Actual date of transporting	Status	Date of status	
155505	LT 000146	GPAIS GPAIS		2018-09-11	Waste accepted	2018-09-07	Preview

In the window that opens, select the notification document from the list that you are planning to carry out the shipment.

The screenshot shows a software window titled "Create concomitant document" with a close button (X) in the top right corner. Below the title bar, the text "Message document" is displayed. A list of documents is shown, with the first item "LT 000149 304128915 UAB 'J Tvarkytojas'" highlighted in green. At the bottom of the window, there are two buttons: "Close" and "Prepare".

After choosing the document, click on the „Prepare" button

The movement document opened has already moved the key information from the notification document.
